# WHISPERING PINES

**COACH JOHN I. HURST**, in his fifteen years of coaching at Southwest has made a very creditable record. His teams have won several State Championships and are always rated as formidable, clean playing, and hard charging by opponents.

**MANAGER CLIFTON L. WHITE** performed his duties as manager in a very capable manner. He was ambitious, alert and efficient, and justly deserves the coveted "S" that he earned.

**ASSISTANT COACH W. P. YOUNG** was of great service to Coach Hurst in his first year at Southwest. His work with the linemen showed its quality in their improved playing in the latter part of the season.

**CAPTAIN WALTER JONES FITZGERALD** is one of the steady, hard-working type who turns in bang-up playing every game. So consistent was his playing at center that he rated first place on nearly every All-State team.

# WHISPERING PINES

## "STINKY" EDWARDS, Tackle

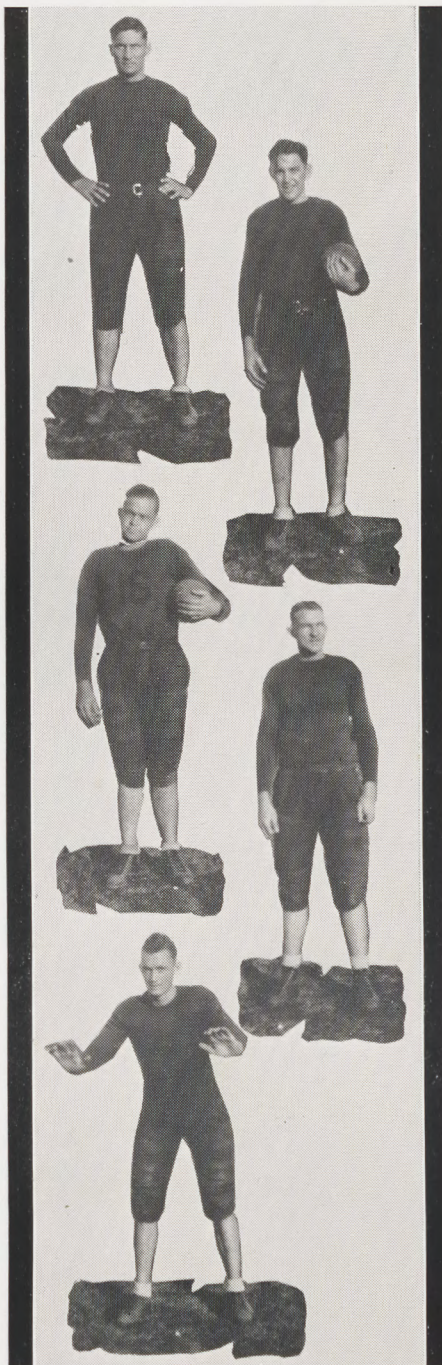

A tall, rangy, fellow with all the natural ability a tackle ever needed. He was one of the letter men carried over from the previous year, and both years received a position on all-state teams.

## 'FRESHMAN' BRUMFIELD Fullback

Short, but plenty tough, is a fine description for this stocky machine that was "bound to go through." His gains were as sure to come as the sun to rise.

## "SIM" SIMMONS, End

"Sim" turned in a first class game of ball every Saturday afternoon. He jumped into the position of first string end at the first of the year and held that position until the end.

## "BAYOU" BARNETTE, Quarterback

One of the best football generals ever to play on a Southwest team. Persistent in his gains and smart at his signal post, he turned in a real season of football.

## "STEVIE" WALKER, End

One of the biggest men on the Southwest squad, and one of the scrappiest! During the latter part of the year he did excellent work.

# WHISPERING PINES

## **"DEACON" TUMEY, Halfback**

A running and charging halfback, always to be counted on for a gain, and a first class game of football.

## **"DOOEY" BACOT, Guard**

Short, powerful, and very hard to move, this boy proved to be a menace to every one of his foes. When "Dooley" gets mad—well, watch out!

## **"HOSS" WALLACE, Guard**

Another one of the finest linemen the Pilots had last season. He played real football from the beginning to the end.

## **"GOOD WILL CHARLIE" HAZLEWOOD, Halfback**

A fine running back with plenty of drive and power. This is "Good Will Charlie" in person.

## **"CY" PARKS, Halfback**

"Cy" showed remarkable ability as a back throughout his playing. He was right there when the going was rough, and stayed there.

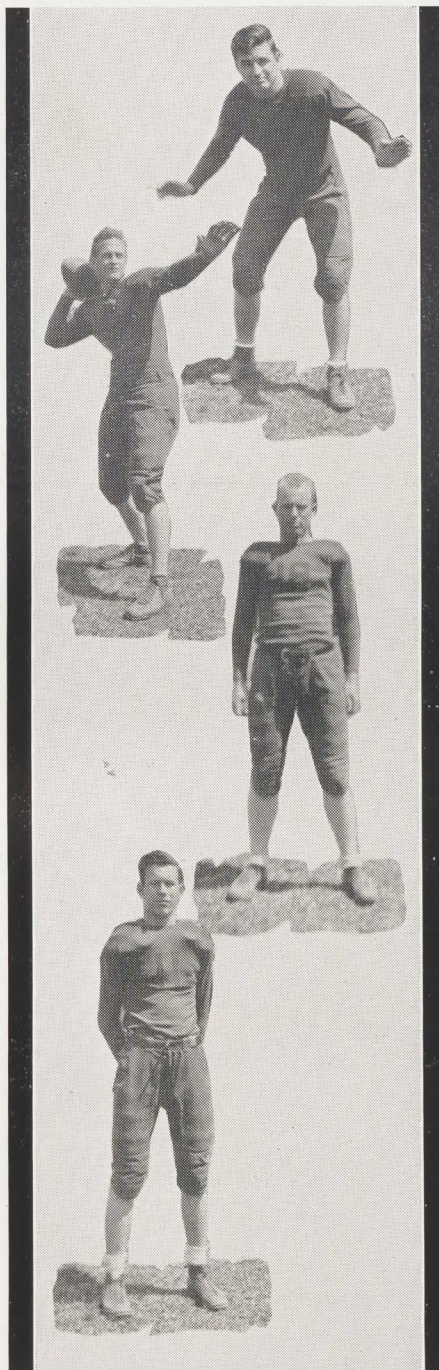

# WHISPERING PINES

## "MUTT" JEFFREYS, Halfback

The best triple threat man on the entire Pilot squad. His beautiful passes, his distanced punts, and his ready gains made him indispensable in the back field.

## "BOUGALOO" NELSON, End

The figure that shot around end on every play smearing the visiting teams for heavy losses was "Bougaloo." He was in on every play, and deserved his "S."

## 'ROOMIE' WILSON, Guard

Another boy whose name was not in all the starting line-ups, but who could deal plenty of misery when he was in there.

## "HARLOW" MORGAN, Guard

"Jean Harlow's" blonde head was seen in every play of the game in which he was in. He worked like a tiger and is expected to be a big factor in the line for next year.

## "BABY" REEVES, Tackle

(Picture omitted through error) Full of stamina, eager to fight hard, and with a native talent for a tackle—That's "Baby."

# WHISPERING PINES

**FIRST ROW:** Page, Ball, Morgan, Barnette, Brumfield, Hazelwood, Simmons.  
**SECOND ROW:** Tumey Nelson, Edwards, Jeffreys, Fitzgerald, Wallace, Reeves, Bacot, Walker.  
**THIRD ROW:** Coach Hurst, Powell, Regan, Bornman, Parks, Woolam, Newman, Reeves, Young.

## Resume

The 1933 football season for the Pilot squad could not in scores be called a successful season, yet in actual playing the Southwest boys turned in one of the most consistent series of games in several years. They only lacked the lucky breaks, and the last minute stimuli to put the scoring plays through.

Beginning the season, the rugged squad met defeat at the hands of the tough Southeastern La. College eleven. Hardly recuperating from this game, Southwest went up against the mighty Goodman Bulldogs, who were the "next best" to the champions, and went down 19 to 0.

In the La. College game, the Pilots showed their unusual pluck and grit, when they held the four year college team to a 7 to 0 win. In the game with the Perkinson squad on the next week-end, the score at the end of one of the most thrilling games of the season was 6-6.

Taking down the colors of two of the strong contenders for the Junior College Championship fell the lot of the Pilots in the next two games, when they trounced Ellisville to the tune of 20-7, and the highly touted Raymond Eagles by the overwhelming score of 33-6.

For the remainder of the season only tough breaks were in store for the "Pilotown boys." Losing hard fought games to Poplarville, Decatur and Wesson.

Despite these figures, the Pilots are to be praised for their unusual sportsmanship. Everywhere they played, they were always complimented upon this outstanding trait, which is the real "stuff" that makes the team.

## BASKETBALL

Picking the regular basketball squad for 1933-34 was a very difficult problem. The championship high school squad of last year with but one exception entered college in the fall. In addition to these, five regulars on the previous year's squad and several very fine freshman players were trying for positions. Coach Hurst waited until the season was well under way before he cut the squad to the regular number of ten players. His varsity selections were Simmons, D. Edwards, B. Edwards and Willoughby, forwards, Conn and Walker, centers, and Starnes, Wilson, Ivey and Morgan guards. These players proudly carried the colors of Southwest through a season of hard-fought games. An unfortunate accident happened to Wilson near the close of the season which crippled the team in the final series with Perkinson and also in the Junior College Tournament

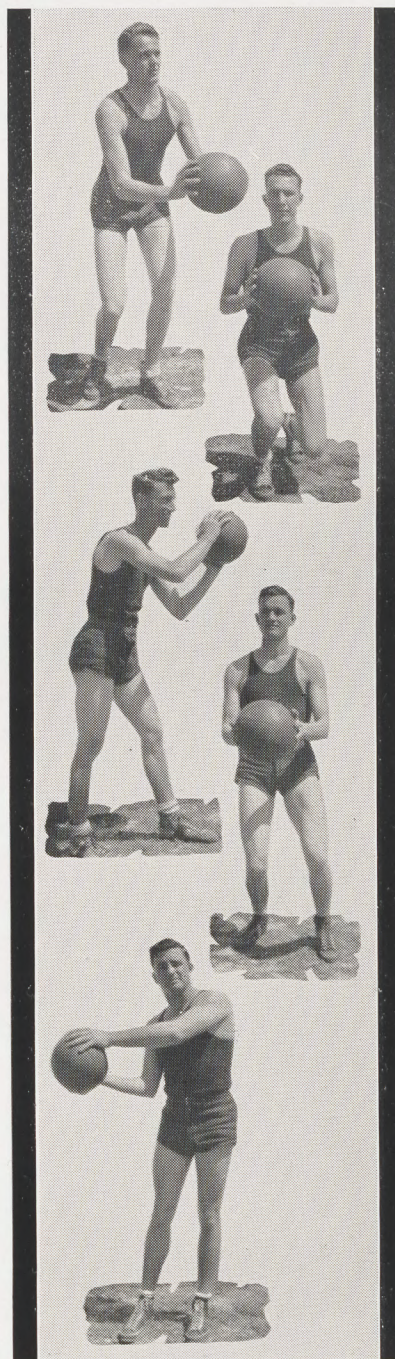

# WHISPERING PINES

Our team displayed championship form in several games during the season, and it was both admired and feared by all of its rivals. A fine spirit of sportsmanship always prevailed on the team and the members played a hard, close game, of fast basketball. In the conference race, Southwest split four games with both Poplarville and Perkinston, and lost two each to Wesson and Moorehead and one to Goodman.

Simmons was high point man for the season closely followed by D. Edwards. The work of Starnes and Wilson kept many opposing forwards "bottled up" and shooting wildly in vain for goals by opposing teams. Every man on the squad made very creditable records and six of these lettermen will be back for the 1934-35 season for another trial for the Junior College Championship.

# WHISPERING PINES

FIRST ROW—Barnette, Blailock, Ball, McDavid, Varnado, Tumey. SECOND ROW—Parks, Walker, Hutchison, Wallace, McElwee. THIRD ROW—Woolam, Starnes, Coach Hurst, Jones, Douglas.

## BASEBALL

Although the baseball team was eliminated from the Junior College Championship in the first round, the season was acclaimed a success. The season's record shows a majority of games won against some strong teams. The team was led in batting by Irving Parks, Elque Starnes and Casey Jones. Claude Woolam, Elque Starnes, Bernard Blailock and Carl Douglas comprised an efficient and well balanced pitching staff while the infield of Hutchison, Parks, McDavid and Tumey, and an outfield of Jones, Varnado and Starnes fielded well behind the hurlers. Steve Walker and Siebie Ball were the team's catchers.

An analysis of the team's record in Junior College circles shows wins from Wesson, Ellisville, Perkinson, and Southeastern and losses to Perkinson, Southeastern, and three games to Wesson. Only five players on the entire squad will be lost by graduation and it is believed that Southwest will be in the Championship play next season.

# WHISPERING PINES

Once more the fleeting wings of Time have brought another June, another graduation, and another annual. And as a final gesture of thanks, the staff of the 1934 Whispering Pines wishes to pen a last word of farewell to those who have so splendidly contributed to the creation of the second volume of the Whispering Pines.

We take this opportunity to acknowledge our grateful appreciation for the wonderful cooperation, genuine interest, and wholehearted endeavor which has characterized our relationship during the year to the

## **ALABAMA ENGRAVING COMPANY**

who so tastefully designed the art work; to

## **THE McCOMB ENTERPRISE**

who have very capably and beautifully printed this book—and to the

## **PHOTO ART SHOP**

who patiently and expertly handled the photographic work and donated the pictures which appear in the Feature Section.

We are also greatly indebted to our College President, Mr. J. M. Kenna, for his interest, his cooperation, and his efforts in expediting the collection of the monies for the annual.

THE STAFF.
